

# Certificate

Herby we certify that  
Valery Milovanov from  
Special Tools Russia  
successfully completed a  
technical training and hands-on seminar at  
OTEC Präzisionsfinish GmbH  
in Germany.

It contained training for  
ECO, CF and DF Series machines,  
as well as information about media  
– when and how - to use  
in regards to processing various types  
of work pieces.

Now Mr. Valery Milovanov can perform trainings  
with our machines and medias.
